Interest To Furnish County Nursing Home

Will County taxpayers can look forward to a total in excess of \$56,000 return to the county on moneys invested upon the receipt of the Sunny Hill Nursing Home referendum proceeds, Monday, March 23.

Richard Tezak, chairman of the Sunny Hill Nursing Home committee of the Will County board of supervisors; Roy Hassert, chairman of the county board; Assistant States Attorney Ludwig Kuhar Jr.; and Chief Deputy Treasurer W. F. Schuetz received a check for \$2,233,396.21 from a group headed by the Harris Trust and Savings Bank which

purchased the bonds.

"The \$2,200,000 principal was invested in January and earned \$33,396.21 in accrued interest between January and March," Tezak explained. He added that the accrued interest will be invested in local banks at the rate of 5½ per cent.

Tezak said the County Board had previously passed a resolution requesting that a substantial part of the \$2,200,000 be invested in U. S. government obligations pending use of the funds.

Complying with this request, Schuetz announced, the County Treasurer has in-

vested \$1,200,000 of the total \$2,200,000 in U. S. Treasury Bills, with a discount of \$35,695.

"I expect the balance of the principal to draw interest in the amount of \$21,175 during the next six months," Schuetz said.

The \$35,695 discount and the \$21,175 interest add up to a total \$56,870 earned on investment of public moneys.

Schuetz said the county board has directed that the earnings on these funds be held in a special fund by the county treasurer for use in purchasing new furnishings for the nursing home when the building is completed.

Study Highway Corridor Plan For South Suburbs

Highway plans--long and short range--are in the making for the south section of the Chicago metropolitan center which embraces all of the local communities, Orland Park, Mokena, Frankfort and New Lenox.

The so-called corridor system reiterates what was published here a couple of weeks ago--with expressways springing up all over.

At the meeting of the Orland Park village board last week Mayor Melvin Doogan displayed a map (it appears on another page in this issue) which shows that the Wolf Rd. freeway or expressway, will lie someplace in a strip three miles wide, extending south of I-55 to Steger Rd., south of Frankfort. The corridor then extends east into Indiana. The roadway itself or rather its right of way would be 350 feet wide, Doogan said.

The Murphy Engineers have been retained by the state to compile data from all communities effected by this Wolf Rd. project, that covers practically everything. They want the zoning ordinances as well as zoning maps, municipal maps, the location of churches, schools, police stations, municipal and federal buildings, hospitals, sewer and water lines, sewage treatment plants, parks, hospitals, and fire stations.

They want to know the type

of government, the names of the officials, with addresses and telephone numbers. They want a list of all the neighborhood, community and regional groups, their officers and programs. They want a list of all the business and industrial firms, their addresses and what they do to make a profit. They also want any planning studies any taxing bodies have made or had made.

That is the general outline of the proposed study and from there the engineering firm goes into detail as to the information it wants.

"It sounds like someone is getting ready to invade us," remarked one listener.

Mayor Doogan said that the state apparently intends to give the municipalities a voice in the highway planning.

Whether this is so or not the fact remains that highway building is very much "in" now and an endeavor is to be made to link up the various expressways, tollways and freeways so all parts of the metropolitan area will benefit.

While the corridor map shows the Wolf Rd. project apparently ending in the vicinity of I-55, there has been no announcement of any change in the State's plan that would see it pushed up to beyond O'Hare Field.

Rumors abound that speculators are endeavoring to get options on lands in Orland and Frankfort townships on the possibility that a major airport will be located in the south section.

Not a rumor but fact is the report that someone representing himself as a representative of the Norfolk & Western Railroad has been putting out feelers among land owners north of I-80 as to whether they might be interested in the locating of an industrial park in the area. No offers have been made and now owners have been asked directly if he will sell and for how much. The talks haven't reached that stage yet.

Getting back to the corridor coming down from I-55, Wolf Rd. is in the center of the north and south leg.

A large section of Orland Park lies in the corridor, Mokena is spang in the middle of it, and a segment of the west portion of Frankfort is located therein. Route 61, which also is to come down from the north would also have some effect on area developments as it would join I-80 near New Lenox.

Meanwhile area residents are waiting for contractors to get moving on the I-80 interchange with U.S. 45 and hoping something will be done to improve that highway. Crews are working on building U.S. 45 over the Rock Island tracks there.

On March 7 and March 14th, K. Eugene Dilworth's 8th Grade dual geography class at Willowcrest School brought in a variety of Asian foods to help with their study of the peoples of Asia. A variety of delicacies from Japan, China, Vietnam, India, Israel, Pakistan, and other Asian countries were brought to the classroom. Such delicacies are sometimes exceptionally rare in the United States. Many dishes were composed of some type of rice, a food typical in two thirds of Asia.

Mr. Hull's dual class had an Asian meal on the 14th also. This enables pupils to know how the other half of the world lives.

Masonic Lodge Will Move To Orland Pk.

A Masonic lodge is to be established at Orland Park. Dearborn Lodge, A. F. & A.M., No. 310, is moving to Orland Park this month from Chicago, it was announced by Peter Gech, vice president of the Southwest Suburban Square Club at Orland.

The lodge will be housed in the old Methodist Church. This is now used by Sunday School classes and will continue to be used as such, an arrangement for dual use of the building having been worked out between the lodge and the church board.

As the number indicates, Dearborn Lodge is one of the older lodges of Illinois. It has

shared quarters with five other lodges at the Lawn Masonic Temple, 3558 W. 62nd Place, Chicago. It has 280 members. The Grand Lodge of Illinois has been encouraging some of the Chicago lodges to move to the suburbs. With its move to Orland Park Dearborn Lodge looks for an increase in membership. There are a number of Orland residents who belong to various lodges that plan to demit from them and become members of Dearborn.

RI Lines Would Revise Fares

The Rock Island Lines has a plan before the Illinois Commerce Commission involving the restructuring of its commuter fares and provision for a 6% increase in suburban revenues, according to Murl H. Bonesteel, director of passenger services. In most communities commuters will benefit, for strange as it may seem many of the fares would be reduced. That is true for New Lenox, Mokena and Tinley Park.

Bonesteel also announced that the Rock Island is acquiring ten more new bi-level commuter cars with delivery expected in late 1969. "These cars, valued at \$2,000,000, along with the 20 bi-levels we obtained in January, 1965, at a cost of \$3,100,000, will bring our bi-level fleet to 30," he said.

"The 6% increase in commuter revenues provided by the fare adjustments is justified, we feel, because our last fare increase was almost 5 years ago, in August, 1964. In the intervening period, expenses have risen sharply and we are currently losing \$779,000 a year on our commuter operation. The added revenue of \$220,000 will help pay for the new cars, but will only partially offset our commuter service deficit," he emphasized.

Under the plan, Rock Island will also establish a convenient "ticket by mail" service for those who buy monthly tickets and will introduce an economical semi-monthly ticket.

"We are not asking for a flat percentage increase in ticket prices, which is the usual procedure for commuter railroads seeking a fare adjustment," he said. "Our aim, instead, is to overhaul an archaic and unbalanced fare structure to enable us to provide the most economical per-ride cost to regular riders--those using monthly tickets. These monthly ticket users are the ones who commit themselves to use the seat provided every rider on our trains twice a day, every working day of the month. For these regular riders, the cost per-

ride under our proposal will be less at most stations and only 1 to 3 cents more at the others."

Rock Island's suburban territory extends from downtown Chicago to Joliet a distance of 40.2 miles, serving Gresham, Brainerd, the Beverly Hills and Morgan Park areas, Blue Island, Robbins, Midlothian, Oak Forest, Tinley Park, Mokena, New Lenox and Joliet. The line carries 26,000 commuters daily (13,000 in and 13,000 out). Delbert Dreckley, Mokena station agent, listed the proposed fares for the area:

From New Lenox to Chicago the one-way ticket fare would be reduced from \$1.80 to \$1.50, while the round trip ticket would go from \$3.25 to \$2.70. Ten-ride tickets would be reduced from \$16.25 to \$13.50, but the weekly ticket would increase from \$10.90 to \$11.35. A 25-ride ticket would decrease from \$40.63 to \$33.75; monthly tickets would fall from \$39.25 to \$39.15.

A semi-monthly ticket from New Lenox to Chicago would cost \$21.55.

From Mokena to Chicago, one-way tickets would be reduced from \$1.60 to \$1.35, and round trip tickets would go from \$2.90 to \$2.45. The 10-ride ticket would be reduced from \$14.60 to \$12.25, but the weekly ticket would increase from \$10.10 to \$10.30. A 25-ride ticket would be reduced from \$36.25 to \$30.60, and the monthly ticket would go from \$36.45 to \$35.50. A semi-monthly ticket from Mokena to Chicago would cost \$19.55.

From Tinley Park to Chicago, one-way tickets would fall from \$1.28 to \$1.20, while round trip tickets would go from \$2.35 to \$2.20. Ten-ride tickets would be reduced from \$11.75 to \$11, but weekly tickets would increase from \$9 to \$9.25. A 25-ride ticket would go from \$29.38 to \$27.50.

And a monthly ticket would fall from \$32.45 to \$31.90. A semi-monthly ticket from Tinley Park to Chicago would cost \$17.55.

Orland Cuts Link With Early Days

Another link with the past at Orland Park is to be severed soon.

Loebe Brothers general store is to close its doors after more than 70 years of service to the community that has grown from a small collection of farm families to a population that has zoomed past the 5,000 mark.

The store was opened in 1898 by the brothers, John and Albert Loebe. John Loebe was the father of Stewart and Franklin Loebe, who took over the business later. The sons and their sister Ruth used to help out at the store in their youth and Stewart recalls the days of delivering merchandise with a one-horse wagon.

When the young Loebes went to high school they were enrolled at Englewood and journeyed back and forth by train. Today the Orland area has two high schools but only token trains.

Those Chuckholes Are Just Waiting For You

This is the time of year to be alert for chuckholes, cautions the Chicago Motor Club-AAA.

Chuckholes in the pavement of streets and highways result when water that's frozen in the road surface thaws, causing the pavement to break, according to the Motor Club. The holes can be dangerous and might even cause extensive damage to your car.

Tires can be damaged when they hit a chuckhole. If the damage is not detected it could eventually cause a blow-out, the club says.

Striking a chuckhole also can put car wheels out of alignment, which in time can result in severe and uneven wear on tires. In fact, if you run into a deep chuckhole--or

pothole as the hazard is sometimes called--at high speeds, you might even break an axle or overturn your car.

Motorists should not be lulled into a false sense of security even though roads and highways are free of ice and snow, says the motor club. Instead, they should be alert for holes in the pavement so as to have time to avoid them.

But if you see a chuckhole in the path of your car, don't stop or swerve suddenly. This could result in a collision with nearby vehicles.

The Chicago Motor Club also urges drivers to be alert for road crews. The time is approaching when they are likely to be repairing highway surfaces.

Youth Loses Legs In Farm Accident

Calvin Roemer, 15, who lives on a farm near Paxton and is a nephew of Mr. and Mrs. Elmer Roemer, who reside near Manhattan, lost both legs below the knees while feeding cattle.

He either lost his balance

and fell or was pushed off balance by one of the steers getting up to the feeders and became enmeshed in the auger that was carrying feed from a silo to the feed lot.

The boy was alone in the lot at the time but was fortunate

that his sister, Joyce, 12, came out of the house then and heard his call for help. She ran to the barn and threw the switch that cut the power and then got help.

Calvin was taken to the Paxton Community Hospital

where both of the torn lower legs were amputated. He is in good spirits despite his condition, according to his aunt, but would appreciate getting cards. He has numerous relatives in the Mokena and Tinley area.

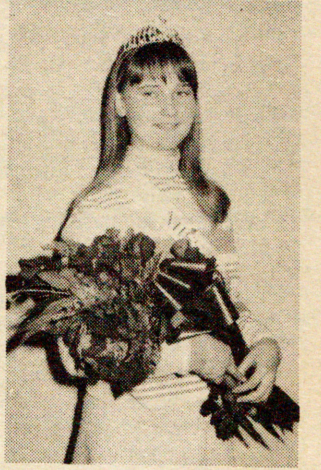

Calvin is the son of Mr. and Mrs. Alvin Roemer and besides the sister who came to his aid has two younger brothers, Ronald and Leroy. He is a sophomore at Paxton High School.

Sportsmen's Clubs Pick State Queen

She is a graduate of Joliet East High School where

KATHY MITCHELL

she was a member of the National Honor Society during her junior and senior years. She was a member of the Future Farmers of America for four years and during her junior year was the F.F.A. Sweetheart. As a senior Miss Mitchell was a sponsor of the ROTC.

Miss Mitchell is now a freshman at Joliet Junior College where she is majoring in animal science and is the reporter for the Student Agriculture Association. Her ambition is to do research work in animal genetics and to teach college agriculture.

During her reign as queen of the Illinois Federation of Sportsmen's Clubs, Miss Mitchell will make appearances at various sports, boat and travel shows thruout the State of Illinois.

CLOSED EASTER SUNDAY

Arbury Hills Baseball Dance To Be Held at V.F.W. Hall

MRS. EDWARD HOVI
Telephone--479-5740

The Arbury Hills Baseball Dance is rapidly approaching, coming one week after Easter, on April 12. It will again be held at the V.F.W. Hall on Wolf Road in Mokena. The tickets will be \$1.75 per person.

The registration dates saw some ninety boys sign up for the coming season. A meet-

ing of the minds will place the boys into teams. If you have a desire to help out in any capacity for the coming baseball season with the teams, please contact Jack Kennard at 479-9259. Help is always appreciated.

The season will open with the annual parade on Sunday, May 25. Keep all your fingers and toes crossed that Mother Nature will smile this year instead of cry all over for the

festivities.

The First Nighters will have their April meeting at the home of Mrs. Mary Bucher on Beechnut Drive on Thursday evening, April 10, instead of the regular first Thursday of the month. It will begin at 8:00 P.M.

The Boy Scouts held a weiner roast in back of the scoutmaster's house last week in conjunction with their regular weekly meeting. Some fifteen boys attended in spite of conflicting dates with sporting events in the local schools. The troop had a week end scheduled for the Galena, Illinois area this past week end.

The Lincoln-Way area Grammar School Wrestling Tournament was held at the Lincoln-Way Gym on March 19 and 20 with six schools participating.

St. Mary's School in Mokena put up a good showing in spite of the newness of the sport in the school, this being only the second year of wrestling.

In the regular bracket St. Mary's placed Dan Murray took a second place and was awarded a plaque for his efforts and George White placed third in the same weight class and also was awarded a plaque.

Two of the St. Mary's boys also placed fourth; Mike Gorman and Ken Wasaitis.

In the consolation round, the matching of those boys who lost their first match, St. Mary's had four boys come out first. In order to be first these boys had to go on and win their new two matches. These boys are: Mike Hovi, Ed Hovi, John Cumbee and

Rob Lawson.

This seems to be the week for St. Mary's with their cheerleaders for the heavyweights placing second out of twenty in the Providence area tournament. The girls returned for their trophy last Tuesday evening. This should make up for the many, many days of practice.

Arbury Hills School was one of the six teams entered in the Lincoln-Way Wrestling Tournament. Their showing was also commendable since they, too are comparative newcomers to the sport.

Their boys placed two in first place; Don Majewski and Steve Peterson. Each of the two received a plaque commmerating his triumph. There were also two boys who placed third in the tournament; Marvin Hanes and Ray Majewski who received a third place plaque. One boy also placed fourth in the tournament; he was Steve Smith.

The heavyweight basketball team not only had Steve Peterson being adjudged most valuable in the conference, but also had Bobby Lindeman who was second in scoring in the school place fourth in scoring in the conference. So much talent on one team! Congratulations, both!

Cindy Lee, daughter of Mr. and Mrs. Jim Lee on Willow Lane celebrated her fourth birthday with a children's party of twelve (count them), six boys and six girls. Such a brave mother! How did you feel after, Betty?

IN MEMORIAM
In loving memory of Ezra
Eichelberger
Who passed away 4 years ago
today, April 4th, 1965.
Gone is the face we loved so
dear,
Silent is the voice we loved
to hear,
Sweet to remember him who
was here,
And who the absent is just as
dear.
Sadly missed by wife
Elizabeth & Family

IN MEMORIAM
In loving memory of our Son
and Brother Cpl. Paul H.
Stein Jr. who gave his life for
God and his Country on April
5, 1968 in Viet Nam.
On your Country's Hero Roster,
your name is written fair,
But we would give the world and
all,
If only it weren't there;
And you were safe at home with
just,
Your duty done today;
Instead we've only medals,
For which your life did pay.
MOM, SISTER
AND BROTHER

IN MEMORIAM
In loving memory of our grand-
son Cpl. Paul H. Stein, Jr.
who gave his life in Viet Nam
one year ago, on April 5th.
One sad, lonely year has passed
Since our great sorrow fell;
The shock that we received
that day
We still remember well. It was
bitter grief, a shock severe,
To part with one we loved so
dear.
You left us, in your hurried
way,
But trust in God we'll meet
some day.
